WIND AND RAIN PLAY HAVOC IN TEXAS

Storm Cuts Wide Swath In The Northern Portion of State.

SEVERAL PEOPLE WERE HURT

Washouts Are Reported on the Railroads and All the Wires Are Down. In the Town, Twelve Houses Were Completely Wrecked.

Dallas, Tex., May 4.—Extremely heavy rains, destructive winds and lightning caused serious washouts on the railroads, and much damage in northern Texas.

At Denison 48 hours' rain has fallen aggregating 5 3-4 inches. Tracks are very soft and dangerous and are carefully watched on the 'Frisco system. Between Denison and Red River, a section of track sunk several inches and trains had to be detoured Similar conditions exist on the Missouri, Kansas and Texas between Denison and Greenville and Denison and Whitesboro, with a washout at Whitewright and another near Bonham junction.

The Denison yards of the Missouri, Kansas and Texas railway were flooded and large forces of men are engaged in clearing the tracks and the switches of debris.

At McKinney and about that city, wind and rain destroyed a number of farm houses and injured several people. All wires are down. The storm swept a clean path from Blue Ridge northeast, for 8 miles, its track being 200 to 400 yards wide.

At Carsonville, near Denison, Bert Gordon, who was crossing a field with a gun on his shoulder was struck by lightning and killed.

Dallas and vicinity received a hard rain, flooding basements and underground warehouses of business firms.

In the vicinity of Bailey, in Fannin county, 12 houses were blown down.

Arkansas Town Wrecked.

Fort Smith, Ark., May 4.—The entire town of Huntington, Ark., was inundated, several buildings were destroyed and all wires blown down in that vicinity by a rain and wind storm. The town of Mansfield also suffered, a warehouse and two smaller buildings being destroyed. It is reported that several fatalities occurred, but no further details have been received. Crops were badly damaged.

Storm at Newport News.

Newport News, May 4.—A violent windstorm, preceded by a violent electrical display and accompanied by a heavy fall of rain and hail, did considerable damage here Wednesday afternoon. Roofs were torn off half a dozen houses, scores of trees were torn up by the roots, innumerable window glasses were smashed, and telegraph and telephone systems were deranged and many buildings under construction were more or less damaged.

Nearly all of the ships in the harbor dragged their anchors. Reports from the country say the orchards fared badly, and the truckers will lose heavily. Several men were slightly injured at the ship yard by being blown off scaffolding upon which they were at work.

Death Spread by Dynamite.

Birmingham, May 4.—By the explosion of thirty cases of dynamite and several cases of powder at the magazine of the Sloss-Sheffield Steel and Iron company's quarry, at North Birmingham late Wednesday afternoon, Wesley Campbell, a negro, was instantly killed and J. W. Goodwin, a bookkeeper, was dangerously injured about the head. The cause of the explosion is a mystery. The magazine was but 25 feet from the office and both buildings were completely demolished. The negro was on the porch of the office with several others, but bookkeeper was inside the building.

$50,000 Fire Loss.

Chicago, May 4.—Fire in the blacksmith shop of the Illinois Steel company's plant at South Chicago Thursday caused a loss of $50,000. A number of valuable models were destroyed.

MIDNIGHT DUEL FOUGHT.

T. A. Duke Kills William Johnson in Columbus.

Columbus, Ga., May 4.—For what was characterized by the coroner's jury as murder, J. A. Duke, a middle aged man of Phenix City, Ala., who is a grandfather, occupies a cell in Muscogee county jail, while William Johnson, boss of the picker room at the Hamburg mills and also a middle-aged man of family, rests in a coffin in a local cemetery, with three bullet holes in his body.

The tragedy occurred Tuesday night about midnight at the house of Mrs. Laura O'Hearn, a widow, on North Highlands. Duke was sitting in the front room of the residence when Johnson, who was drinking, entered. Duke says that he demanded what he was doing there, to which the Alabamian replied that he was there on business; that after a few more words Johnson jerked oout a knife, hemmed him in a corner and made a vicious stab at him, the knife cutting a long rent in the front of his coat, which he exhibits. He then drew his pistol and fired three shots at Johnson, who was immediately in front of him. Johnson, shot through the head, fell to the floor and died instantly. His life blood ran out on the carpet in great pools, and he was lying in his gore when the police arrived. Duke went on down town and surrendered to the police, saying he had killed a man. This was their first information regarding the tragedy.

Shriners To Go Chicago.

Atlanta, May 4—Potentate Adair, of the Yaarab Temple, Mystic Shriners, is in receipt of a letter from Imeprial Potentate Harry Collins, of Canada, stating that all business of the Shriners which was to have been transacted in Los Angeles on May 14th, will come up at a special session of the council in Chicago on June 9 and 10. The program of festivities, which was arranged for the meeting in Los Angeles, has been declared off, and at the meeting in Chicago only business will be looked after. None but the delegates from the temples will attend the Chicago meeting. Those from Atlanta will be Potentate Forest Adair, E. E. Clapp, Dr. A. H. Van Dyke and J. M. Fuller. At a suggestion from Potentate Forrest Adair, the $100,000 fund which was to be used for the entertainment at Los Angeles was given to the sufferers from the earthquake in California.

They Want Paved Highways.

Savannah, Ga., May 4.—A party of 15 automobilists have returned from a trip through Effingham and Screven counties. They traveled in five machines, and their trip was made in the interest of a project they have on foot for the establishment of a broad paved highway between Savannah and Augusta, traversing Chatham, Effingham, Screven, Jenkins, Burke and Richmond counties. The Chatham and Richmond portions of the proposed route are already complete, and the reception accorded the automobilists, whose party was headed by President Frank C. Battey, of the Savannah Automobile club, and vice president of the National Good Roads association, indicated that at least Screven and Effingham will join in the movement and do their share of construction. The business organizations of Sylvania has adopted resolutions favoring the proposition.

Topeka, Kans., May 4.—The Kansas state Republican convention on Wednesday renominated the present incumbent, Edward W. Hoch, for governor together with a full ticket. The "state" supported by the present state administration was successful over the faction led by W. R. Stubbs.

METHODISTS CONVENE AT BIRMINGHAM, ALA.

Hold the Fifteenth Quadrennial Meeting of Conference.

MANY DELEGATES ARE PRESENT

Many Georgians Are Mentioned as Probable Bishops—Three Bishops To Be Elected at Convention—Nine Active Bishops Present.

Birmingham, Ala., May 4.—The fifteenth quadrennial meeting of the general conference of the Methodist Episcopal church, South, began here Thursday morning at the First Methodist church, with about 200 delegates and 500 visitors, church officers and others present.

The roll call revealed the presence of nine active bishops. The conference was called to order by Bishop A. W. Wilson, of Baltimore, the senior bishop, while Bishop J. S. Key led the opening prayer. Bishops C. B. Galloway, A. Coke Smith and E. E. Hoss and Dr. C. W. Carter, of Atlanta, La., took part in the devotional services.

The roll call of bishops showed Bishop Fitzgerald and Bishop Granberry to be the only absentees.

Among those responding to roll call were the leading foreign missionaries in the church, including Dr. Young J. Allen, of Shanghai, China.

The Tennessee, South Georgia North Alabama and the Texas conferences had practically complete delegations present at the opening session. Dr. J. J. Tigert, of Nashville, secretary of the general conference at its two last preceding sessions, was unanimously reelected secretary. After the adoption of a resolution providing for the appointment of the 14 regular committees, the bishop's address was read.

Georgians Mentioned as Bishops.

Atlanta, May 4.—The delegates appointed from Atlanta as representatives of the North Georgia Methodist conference to the general conference in Birmingham, left for that city Wednesday. They were Rev. W. F. Glenn, Rev. J. H. Eakes, D.D. The lay delegates were Mr. George Napier, Mr. E. W. Martin.

There are a number of Georgia and Atlanta ministers spoken of for places as bishop—three bishops being elected at this convention. From Atlanta the names suggested are Rev. J. H. Eakes, the present presiding elder of the Atlanta district, Rev. James W. Lee, pastor of Trinity church, and Dr. Chas. E. Dowman, of the First Methodist church.

The most prominent name mentioned outside of Atlanta is that of Rev. James E. Dickey, the president of Emory college. The presidency of this college has been a stepping stone to the bishopric of the church, two having been elected to the bishop's chair from this position—Bishop Warren A. Candler, of Atlanta, Ga., and the late Bishop Atticus G. Haygood.

Disturbs Church Worship.

Birmingham, Ala., May 4.—At a meeting of the board of trustees of the first Baptist church it was decided to at once bring suit for $10,000 damages against the Birmingham railway, Light and Power company for an ailement of the alleged nuisance of running heavy suburban cars past the church on Sundays and disturbing public worship. It is said the action was taken after an understanding had been reached with the trustees of the First Christian church and the First Presbyterian church that they would bring similar suits. The same cars pass all three churches.

RESULTS OF STATE PRIMARIES

Many Counties Nominate Officers in Democratic Primary.

Augusta, Ga., May 4.—The contest in the race in Wednesday's county white primary resulted: R. E. Allen, 2,572; Boykin Wright, 2,444; C. E. Dunbar, 2,427; M. V. Calvin, 2,415; J. K. Litchfield, 2,379; Louis Brooks, 2,291. This is the closest result in the history of the county, and started the end of a bitterly fought contest, in which the duties of offices—judge of the city court and commissioner of roads and revenues—held by Judge W. F. Eve, were the issues.

There is a chance that the result will be contested. About an hour after the fourth ward polls were closed it was discovered that the seals on the box containing the counted ballots had been broken, while the policeman on guard had gone to the telephone to get instructions from headquarters. It is not known if the box had been tampered with, but it was broken into, and is at police headquarters under guard of two officers hired by the respective sides.

All other county officers, including representatives to the legislature, had no opposition.

In Glynn County.

NO EXTRA MONEY FOR THE JURORS

Government Refuses Additional Pay.

TO GREENE AND GAYNOR JURY

Jurors Suffered Financially by Reason of Length of Trial, but Government Will Not Reimburse—Moody Says Precedent Would Be Bad.

Washington, May 4.—Attorney General Moody has refused to recommend action by the government to reimburse the members of the jury in the Greene and Gaynor case for extraordinary expenses claimed to have been incurred by them in serving the government during the long period of the trial at Savannah, Ga.

Some days ago Mr. W. T. Thomas, of Quitman, foreman of the jury, wrote Representative Brantley calling attention to the great amount of time consumed in the trial, and claiming that this had operated as a great hardship upon all of the members of the jury. Those of the jury who are merchants as well as those who are farmers, suffered severely, Mr. Thomas claimed, by being kept away from their legitimate business during the long period of the trial, and he asked if there was no way to secure compensation at the hands of the government. Mr. Brantley took the matter up with the attorney general, asking if there is any fund in the department of justice to cover such cases, and if not, whether he would not recommend some action by congress.

The attorney general has written Mr. Brantley replying that there is no such fund, and that it would be impossible to make the recommendation suggested, for the reason that it would set a very bad precedent. He points out that the duty of the citizen to serve on juries when called upon, and suggests that for the government to make provision for the payment of claims of this character would, perhaps, open the way to the suggestion that it would be putting a premium on verdicts for the government.

Tillman Proposes Amendments.

Washington, May 4. Senator Tillman has proposed certain amendments to section 6 of the railroad rate bill prepared at his request by the interstate commerce commission to correct certain alleged inconsistencies in the pending measure concerning the publication of all rates, whether individual or joint. The amendments proposed will include in the publication all terminal charges, storage charges and all special privileges or facilities granted or allowed. The amounts will have the effect of placing the filing and publication of all schedules on the same footing and make such schedules include all rates, privileges or facilities.

Underwriters Meet in Atlanta.

Atlanta, May 4.—President Cliff C. Hatcher has announced that the annual meeting of the Georgia local agents underwriters association will be held in Atlanta May 23 and 24. A committee of Atlanta members of this association will get to work immediately making arrangements for an exceptionally big meeting this year. It is expected that over one hundred members from all sections of the state, including the most prominent fire insurance men of Georgia, will come to Atlanta for this convention. In addition to the regular features of these annual meetings, matters of more than usual importance will be brought up at this time.

Crop Reports Denounced.

Washington, May 4.—After denouncing the government crop reports and more particularly the reports of the department of agriculture, and passing a resolution advocating that the statistical cotton year should run from August 1 to August 1 instead of September 1 to September 1, the international cotton conference adjourned on Wednesday to reassemble next year should it be deemed advisable by the various organizations to do so. It was found that the delegates were not clothed with sufficient authority to effect a permanent organization.

ANOTHER CONVENTION WILL OPEN TONIGHT

Woman's Home Mission Society Will Hold Meeting Here.

TWO SESSIONS EACH DAY

The Meetings, Which Will Last Four Days, Will Be Held at Kavanaugh Methodist Church—Reception Tonight.

Gainesville has been the center of conventions and gatherings of the various secret orders and societies the past few weeks, which have been the means of bringing many of the best people of the State here, and while these visitors, or more properly, delegates, have remained with us for a few days only, they had the opportunity of getting acquainted with the city and its people, and in the end their visit will result in more or less good to the city.

The State Encampment of the Patriotic Order Sons of America has just adjourned, and almost before the delegates to this gathering had made their departure, delegates to the annual meeting of the Woman's Home Mission Society of the Methodist Episcopal Church, South, had commenced to arrive. This meeting will be attended by between fifty and seventy-five delegates from the various churches of the State, and will last about four days, there being two sessions each day, morning and afternoon. The meetings will be held in Kavanaugh Methodist Church.

The meeting will be opened with a reception to the delegates at the home of C. W. Chase, to which all lady members of the church are invited, tonight from 8 to 10 o'clock. This reception, as originally intended, was to be held at the home of Mayor W. R. Thomas, but owing to the illness of Mrs. Thomas it was transferred to the home of Mr. Chase.

The ladies who constitute this society are doing a great work, and should receive every encouragement.

As stated above, there will be two sessions each day, to which all members of the church and the public generally are invited to attend.

NEWS FROM HIGH SPRINGS.

Pleasant Party Given by Rathbone Sisters—Personal Notes.

High Springs, May 3.—The "May Party" given Tuesday evening at the Odd Fellows' hall by the Rathbone Sisters for the benefit of their lodge, was a decided success. The hall was effectively decorated in the colors of their lodge, red and white predominating, making a beautiful back-ground for the handsomely-gowned ladies. A long and well rendered program was carried out.

Mr. John Turner of Tampa and Mrs. Wood delighted everyone with their music throughout the evening. The songs by Mrs. Phifer and Mrs. Webb were beautifully rendered. Especial mention must be made of the recitations by Miss D'Autry and Mrs. Summers, who are both artists in that line.

At the close of the evening all joined in the May dance, afterwards Mrs. Hobson being crowned queen and Mr. Witherspoon king. A neat little sum was realized from the refreshments served, to the delight of the Rathbone Sisters, who had worked hard to make it a financial as well as a social success.

Personal Notes.

Mrs. John D. Tucker and Mrs. W. J. Hodgson of Waycross paid a visit to their sister, Mrs. W. N. Gramling of High Springs, last week. Little J. Denham Tucker, aged seven months, was in the party, and he quite won the hearts of his circle of friends by his cleverness and beauty.

E. K. Anderson is on the sick list this week.

W. B. Hodge, who has been quite ill, is reported better today. Mrs. Maidie Cloud is the efficient nurse who has charge of the case.

Mrs. E. B. Godwin of Paradise has spent a few days in High Springs, the guest of her father, G. W. Easterlin.

Mr. and Mrs. W. E. Dow spent a few days in High Springs indulging their friends in making the acquaintance of their baby. He is universally pronounced a prize-winner, by reason of his beauty and fine proportions.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, or the kidneys themselves break down and waste away cell by cell.

Bladder troubles almost always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's **Swamp-Root,** the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

WILL EXTEND SERVICE.

People of North Gainesville to Enjoy Electric Light Service.

It is said that the people of North Gainesville, the principal suburb of the city, will soon enjoy the privileges and convenience of the electric light system. Arrangements are now being made to have the service extended to that section of the city, and the work of placing the poles and wire will probably begin in a few days.

The people of North Gainesville have a right to have the modern conveniences which the people of the city enjoy, since that suburb was taken in as a part of the city proper under the new city charter passed at the last session of the Legislature, and the extension of the light service to include that locality will be appreciated by the residents.

The service will extend as far as the residence of Col. I. E. Webster.

Was Wasting Away.

"I had been troubled with kidney disease for the last five years," writes Robert R. Watts, of Salem, Mo. "I lost flesh and never felt well and doctored with leading physicians and tried all remedies suggested without relief. Finally, I tried Foley's Kidney Cure and less than two bottles completely cured me, and I am now sound and well." During the summer kidney irregularities are often caused by excessive drinking or being overheated. Attend to the kidneys at once by using Foley's Kidney Cure. J. W. McCollum & Co.

Women in Our Hospitals

Appalling Increases in the Number of Operations Performed Each Year—How Women May Avoid Them.

Going through the hospitals in our large cities one is surprised to find such a large proportion of the patients lying on those snow-white beds women and girls, who are either awaiting or recovering from serious operations.

Why should this be the case? Simply because they have neglected themselves. Female troubles are certainly on the increase among the women of this country—they creep upon them unawares, but every one of those patients in the hospital beds had plenty of warning in that bearing-down feeling, pain at left or right of the abdomen, nervous exhaustion, pain in the small of the back, dizziness, flatulency, displacements of the organs or irregularities. All of these symptoms are indications of an unhealthy condition of the female organs, and if not heeded the penalty has to be paid by a dangerous operation. When these symptoms manifest themselves, do not drag along until you are obliged to go to the hospital and submit to an operation—but remember that Lydia E. Pinkham's Vegetable Compound has saved thousands of women from surgical operations.

When women are troubled with irregular, suppressed or painful periods, weakness, displacement or ulceration of the organs, that bearing-down feeling, inflammation, backache, bloating (or flatulency), general debility, indigestion, and nervous prostration, or are beset with such symptoms as dizziness, lassitude, excitability, irritability, nervousness, sleeplessness, melancholy, "all-gone" and "want-to-be-left-alone" feelings, they should remember there is one tried and true remedy.

The following letters cannot fail to bring hope to despairing women.

Miss Ruby Mushrush, of East Chicago, Ind., writes:

Dear Mrs. Pinkham:—

"I have been a great sufferer with irregular periods and female trouble, and about three months ago the doctor, after using the X-Ray on me, said I had an abcess and would have to have an operation. My mother wanted me to try Lydia E. Pinkham's Vegetable Compound as a last resort, and it not only saved me from an operation but made me entirely well."

Mrs. Alice Berryhill, of 313 Boyce Street, Chattanooga, Tenn., writes:

Dear Mrs. Pinkham:—

"Three years ago life looked dark to me. I had ulceration and inflammation of the female organs and was in a serious condition.

"My health was completely broken down and the doctor told me that if I was not operated upon I would die within six months. I told him I would have no operation but would try Lydia E. Pinkham's Vegetable Compound. He tried to influence me against it but I sent for the medicine that same day and began to use it faithfully. Within five days I felt relief but was not entirely cured until I used it for some time.

"Your medicine is certainly fine. I have induced several friends and neighbors to take it and I know more than a dozen who had female troubles and who to-day are as well and strong as I am from using your Vegetable Compound."

Lydia E. Pinkham's Vegetable Compound at once removes such troubles. Refuse to buy any other medicine, for you need the best.

Mrs. Pinkham, daughter-in-law of Lydia E. Pinkham, invites all sick women to write her for advice. Her advice and medicine have restored thousands to health. Address, Lynn, Mass.

WILL IMPROVE PLANT.

New Owners of Dutton Ginnery Will Improve Property.

W. W. Gordon & Company, cotton buyers, of Savannah, who recently purchased the ginnery of H. F. Dutton & Company in this city, contemplate making extensive improvements on the property during the present year, and when the ginning season opens in the fall the firm will be prepared to conduct the business on a larger scale.

Preparations are now being made for the building of new platforms, repairing the machinery, etc., and it is likely that the capacity of the plant will be considerably increased.

The ginnery of Dutton & Company has been one of the industries of Gainesville for many years, giving employment to a considerable number during the cotton season, and the fact that the plant is to be enlarged and improved is appreciated by those who are interested in the city's welfare.

I regard Dr. King's New Discovery as the most wonderful medicine in existence." Surest cough and cold cure and lung healer. Guaranteed by all druggists. 50c and $1. Trial bottle free.

The Gypsies Have Gone.

The band of Gypsies who have been the center of attraction for the small boys, and some older ones, on the streets in this city for the past few days, have folded their tents and gone to other parts. Their going will cause no regret, as their appearance and methods of doing business were not of the character that would appeal to the better element anywhere, and it is to be hoped that their departure is of a permanent nature. During their stay here two or three of the party were arrested under charge of passing worthless checks and obtaining money under false pretenses.

MEETING CALLED OFF.

Crowd So Small at Newberry That Candidates Failed to Talk.

Parties returning from Newberry Friday night report that there was no public speaking held there Friday, the people having failed to "turn out" sufficiently to make the candidates "enthusiastic"—in fact, it is said that the people there seemed to know nothing about the meeting. However, the good people of Newberry, who are noted for their hospitality, "received the candidates kindly," and the latter put in the day "still-hunting."

The appointment for the meeting at Newberry was made by the campaign committee.

Other official appointments during the campaign will be as follows: LaCrosse, Saturday, May 5; Hawthorn, Wednesday, May 9; Micanopy, Thursday, May 10; Alachua, Saturday, May 12.

ANOTHER CONVENTION WILL OPEN TONIGHT

Woman's Home Mission Society Will Hold Meeting Here.

TWO SESSIONS EACH DAY

The Meetings, Which Will Last Four Days, Will Be Held at Kavanaugh Methodist Church—Reception Tonight.

Gainesville has been the center of conventions and gatherings of the various secret orders and societies the past few weeks, which have been the means of bringing many of the best people of the State here, and while these visitors, or more properly, delegates, have remained with us for a few days only, they had the opportunity of getting acquainted with the city and its people, and in the end their visit will result in more or less good to the city.

The State Encampment of the Patriotic Order Sons of America has just adjourned, and almost before the delegates to this gathering had made their departure, delegates to the annual meeting of the Woman's Home Mission Society of the Methodist Episcopal Church, South, had commenced to arrive. This meeting will be attended by between fifty and seventy-five delegates from the various churches of the State, and will last about four days, there being two sessions each day, morning and afternoon. The meetings will be held in Kavanaugh Methodist Church.

The meeting will be opened with a reception to the delegates at the home of C. W. Chase, to which all lady members of the church are invited, tonight from 8 to 10 o'clock. This reception, as originally intended, was to be held at the home of Mayor W. R. Thomas, but owing to the illness of Mrs. Thomas it was transferred to the home of Mr. Chase.

The ladies who constitute this society are doing a great work, and should receive every encouragement.

As stated above, there will be two sessions each day, to which all members of the church and the public generally are invited to attend.

NEWS FROM HIGH SPRINGS.

Pleasant Party Given by Rathbone Sisters—Personal Notes.

High Springs, May 3.—The "May Party" given Tuesday evening at the Odd Fellows' hall by the Rathbone Sisters for the benefit of their lodge, was a decided success. The hall was effectively decorated in the colors of their lodge, red and white predominating, making a beautiful back-ground for the handsomely-gowned ladies. A long and well rendered program was carried out.

Mr. John Turner of Tampa and Mrs. Wood delighted everyone with their music throughout the evening. The songs by Mrs. Phifer and Mrs. Webb were beautifully rendered. Especial mention must be made of the recitations by Miss D'Autry and Mrs. Summers, who are both artists in that line.

At the close of the evening all joined in the May dance, afterwards Mrs Hobson being crowned queen and Mr. Witherspoon king. A neat little sum was realized from the refreshments served, to the delight of the Rathbone Sisters, who had worked hard to make it a financial as well as a social success.

Personal Notes.

Mrs. John D. Tucker and Mrs. W. J. Hodgson of Waycross paid a visit to their sister, Mrs. W. N. Gramling of High Springs, last week. Little J. Denham Tucker, aged seven months, was in the party, and he quite won the hearts of his circle of friends by his cleverness and beauty.

E. K. Anderson is on the sick list this week.

W. B. Hodge, who has been quite ill, is reported better today. Mrs Maidie Cloud is the efficient nurse who has charge of the case.

Mrs. E. B. Godwin of Paradise has spent a few days in High Springs, the guest of her father, G. W. Easterlin.

Mr. and Mrs. W. E. Dow spent a few days in High Springs indulging their friends in making the acquaintance of their baby. He is universally pronounced a prize-winner, by reason of his beauty and fine proportions.

Tug Rammed by Submarine.

Newport, R. I., May 4.—The government tug Mina was rammed by the submarine torpedo boat Porpoise during maneuvers, and was forced to run full speed for the port to escape sinking. The Porpoise was not injured.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, or the kidneys themselves break down and waste away cell by cell.

Bladder troubles almost always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's **Swamp-Root,** the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

WILL EXTEND SERVICE.

People of North Gainesville to Enjoy Electric Light Service.

It is said that the people of North Gainesville, the principal suburb of the city, will soon enjoy the privileges and convenience of the electric light system. Arrangements are now being made to have the service extended to that section of the city, and the work of placing the poles and wire will probably begin in a few days.

The people of North Gainesville have a right to have the modern conveniences which the people of the city enjoy, since that suburb was taken in as a part of the city proper under the new city charter passed at the last session of the Legislature, and the extension of the light service to include that locality will be appreciated by the residents.

The service will extend as far as the residence of Col. I. E. Webster.

If You Don't

Mr C——, of Emory, Tex., writes: "My wife has been using Herbine for herself and children for five years. It is a sure cure for constipation and malaria fever, which is substantiated by what it has done for my family." Sold by W. M. Johnson.

New Officers of Railroad.

Pelham, Ga., May 4.—The purchasers of the Flint River and Northeastern railroad met at Ticknor Wednesday for the purpose of completing the transfer of the property. Under the new management the following will be the officers: J. L. Hand, president; F. R. Pidcock, general superintendent; C. W. Pidcock, general manager; G. E. Smith, traffic manager; B. H. Groover, auditor. The services of H. H. Steele, who has been traffic manager of the road, will be retained, but he will remove from Pelham to Moultrie, from which place the traffic department will be conducted.

Stop Grumbling

If you suffer from rheumatism or pains, for Ballard's Snow Liniment will bring quick relief. It is a sure cure for sprains, rheumatism, contracted muscles and all pains—and within the reach of all. Price, 25c, 50c, $1. C. R. Smith, Tenaha, Tex., writes: "I have used Ballard's Snow Liniment in my family for years and have found it a fine remedy for all pains and aches. I recommend it for pains in the chest." Sold by W. M. Johnson.

In Banks County.

Maysville, Ga., May 4.—Banks county nominated Honorable Mack Furr for representative.

PRIMARY SET FOR AUGUST 22.

Convention September 4, Date Named by the Committee.

Atlanta, Ga., May 4.—The Georgia state primary will be held on August 22, 1906.

The state convention will be held in Macon on September 4, 1906.

The county democratic committees will meet at the court houses on August 23, at noon, to consolidate the votes cast for the candidates.

Voters will cast their ballot direct for the candidates, and the chairman of each county committee will appoint such delegates to the state convention as the candidate receiving a plurality of the vote in each county shall name.

Each county shall be entitled to two delegates to the state convention for each member that it is entitled to in the house of representatives.

Each ballot used in the primary shall have as a caption a pledge from the voter in which he declares he is an organized democrat and promises to support the organized Democracy, both state and national.

The word "align" is defined to mean joining the organized democratic party and becoming a democrat in good faith.

All "white democrats" as defined, will be allowed to vote if they have registered in 1905 or 1906.

Such were the main and most important measures adopted by the state democratic committee at its session in Atlanta.

Was Wasting Away.

"I had been troubled with kidney disease for the last five years," writes Robert R. Watts, of Salem, Mo. "I lost flesh and never felt well and doctored with leading physicians and tried all remedies suggested without relief. Finally, I tried Foley's Kidney Cure and less than two bottles completely cured me, and I am now sound and well." During the summer kidney irregularities are often caused by excessive drinking or being overheated. Attend to the kidneys at once by using Foley's Kidney Cure. J. W. McCollum & Co.

Stillmore, Ga., May 4.—Little Brinson, the five-year-old son of W. L. Clark, of this place, was attacked by a vicious cow belonging to Colonel Y. E. Bargeronand, and was seriously injured. Women in Our Hospitals

Appalling Increases in the Number of Operations Performed Each Year—How Women May Avoid Them.

Going through the hospitals in our large cities one is surprised to find such a large proportion of the patients lying on those snow-white beds women and girls, who are either awaiting or recovering from serious operations.

Why should this be the case? Simply because they have neglected themselves. Female troubles are certainly on the increase among the women of this country—they creep upon them unawares, but every one of those patients in the hospital beds had plenty of warning in that bearing-down feeling, pain at left or right of the abdomen, nervous exhaustion, pain in the small of the back, dizziness, flatulency, displacements of the organs or irregularities. All of these symptoms are indications of an unhealthy condition of the female organs, and if not heeded the penalty has to be paid by a dangerous operation. When these symptoms manifest themselves, do not drag along until you are obliged to go to the hospital and submit to an operation—but remember that Lydia E. Pinkham's Vegetable Compound has saved thousands of women from surgical operations.

When women are troubled with irregular, suppressed or painful periods, weakness, displacement or ulceration of the organs, that bearing-down feeling, inflammation, backache, bloating (or flatulency), general debility, indigestion, and nervous prostration, or are beset with such symptoms as dizziness, lassitude, excitability, irritability, nervousness, sleeplessness, melancholy, "all-gone" and "want-to-be-left-alone" feelings, they should remember there is one tried and true remedy.

The following letters cannot fail to bring hope to despairing women.

Miss Ruby Mushrush, of East Chicago, Ind., writes:

Dear Mrs. Pinkham:—

"I have been a great sufferer with irregular periods and female trouble, and about three months ago the doctor, after using the X-Ray on me, said I had an abcess and would have to have an operation. My mother wanted me to try Lydia E. Pinkham's Vegetable Compound as a last resort, and it not only saved me from an operation but made me entirely well."

Mrs. Alice Berryhill, of 313 Boyce Street, Chattanooga, Tenn., writes:

Dear Mrs. Pinkham:—

"Three years ago life looked dark to me. I had ulceration and inflammation of the female organs and was in a serious condition.

"My health was completely broken down and the doctor told me that if I was not operated upon I would die within six months. I told him I would have no operation but would try Lydia E. Pinkham's Vegetable Compound. He tried to influence me against it but I sent for the medicine that same day and began to use it faithfully. Within five days I felt relief but was not entirely cured until I used it for some time.

"Your medicine is certainly fine. I have induced several friends and neighbors to take it and I know more than a dozen who had female troubles and who to-day are as well and strong as I am from using your Vegetable Compound."

Lydia E. Pinkham's Vegetable Compound at once removes such troubles. Refuse to buy any other medicine, for you need the best.

Mrs. Pinkham, daughter-in-law of Lydia E. Pinkham, invites all sick women to write her for advice. Her advice and medicine have restored thousands to health. Address, Lynn, Mass.

G. A Byles of Windsor, candidate for member of school board, was in the city yesterday on business, as well as looking after his interests as a candidate.

Ben Thrower went to High Springs Friday in the interest of the Baird Hardware Co, of this city. Ben has many friends throughout the entire State.

Irvin Baird has returned to his home in this city, after an absence of several months spent in various points in Georgia. His many friends will be pleased to learn of his return.

William Coldham, formerly of this city but now of Sanford, has disposed of his property in North Gainesville, Mr. Highsmith, who has recently located here, being the purchaser.

James Chesser, a former resident of this county but now residing in South Florida, was renewing acquaintances in Gainesville yesterday. He has many friends in this section who are always pleased to see him

B. S. Butler, Jr., of Old Town was in the city yesterday and subscribed to the ever-increasing Semi-Weekly Sun. Mr. Butler said that he was very anxious to keep posted and thought The Sun was the proper paper to supply his wants.

W. L. Hill is suffering from a very severe sore throat, from the effect of which he has almost lost his voice. Some of his friends good-naturedly remarked that the hoarseness was the result of talking insurance. It is to be hoped that he will soon recover.

Wm. Scott, formerly of this city and as fine a tailor as ever was in Gainesville, is in the city for a few days with his family. Mr. Scott is now located in Florence, S. C., but is contemplating removing to Gainesville. We would be pleased to have him with us again.

After spending a couple of days in the city in attendance at the State Encampment of the Patriotic Order Sons of America, the delegates from the various lodges of the State have returned to their respective homes. They seemed well pleased with Gainesville, and expressed themselves as being delighted that this city was selected for holding the encampment.

Miss Susie Simpson entertained a large number of her young school friends at the home of her parents, Mr. and Mrs. J. R. Emerson, on Masonic street Friday night. There was about twenty couples present and all expressed their thanks to the young lady for the pleasant evening they had enjoyed and hope to have the pleasure of participating with her again in the near future.

WILL IMPROVE PLANT.

New Owners of Dutton Ginnery Will Improve Property.

W. W. Gordon & Company, cotton buyers, of Savannah, who recently purchased the ginnery of H. F. Dutton & Company in this city, contemplate making extensive improvements on the property during the present year, and when the ginning season opens in the fall the firm will be prepared to conduct the business on a larger scale.

Preparations are now being made for the building of new platforms, repairing the machinery, etc., and it is likely that the capacity of the plant will be considerably increased.

The ginnery of Dutton & Company has been one of the industries of Gainesville for many years, giving employment to a considerable number during the cotton season, and the fact that the plant is to be enlarged and improved is appreciated by those who are interested in the city's welfare.

Fortunate Missourians.

"When I was a druggist at Livonia, Mo.," writes T. J. Dwyer, now of Graysville, Mo., "three of my customers were permanently cured of consumption by Dr. King's New Discovery, and are well and strong today. One was trying to sell his property and move to Arizona, but after using New Discovery a short time he found it unnecessary to do so. I regard Dr. King's New Discovery as the most wonderful medicine in existence." Surest cough and cold cure and lung healer. Guaranteed by all druggists. 50c and $1. Trial bottle free.

The Gypsies Have Gone.

The band of Gypsies who have been the center of attraction for the small boys, and some older ones, on the streets in this city for the past few days, have folded their tents and gone to other parts. Their going will cause no regret, as their appearance and methods of doing business were not of the character that would appeal to the better element anywhere, and it is to be hoped that their departure is of a permanent nature. During their stay here two or three of the party were arrested under charge of passing worthless checks and obtaining money under false pretenses.

The case of J. N. Strobhar, who is charged with embezzlement by the Atlantic Coast Line Railroad Company, the particulars of which are familiar to the reading public, and which was set for hearing before Justice Colman Friday, was disposed of in a very short period of time, the defendant waiving examination and giving bond for his appearance before the grand jury.

MEETING CALLED OFF.

Crowd So Small at Newberry That Candidates Failed to Talk.

Parties returning from Newberry Friday night report that there was no public speaking held there Friday, the people having failed to "turn out" sufficiently to make the candidates "enthusiastic"—in fact, it is said that the people there seemed to know nothing about the meeting. However, the good people of Newberry, who are noted for their hospitality, "received the candidates kindly," and the latter put in the day "still-hunting."

The appointment for the meeting at Newberry was made by the campaign committee.

Other official appointments during the campaign will be as follows: La Crosse, Saturday, May 5; Hawthorn, Wednesday, May 9; Micanopy, Thursday, May 10; Alachua, Saturday, May 12.

Will Play Ball.

On Monday, Tuesday and Wednesday afternoons of the coming week, the Central City Baseball Club, colored, of this city, will meet the colored team from Jacksonville, arrangements having been perfected for a series of three games to be played on those dates. The games will be called at 3:30 o'clock each day, the usual price of admission being charged.

Both teams are said to be in good "trim," and those who witness these games will no doubt see a good exhibition of the National game.

War Against Consumption.

All nations are endeavoring to check the ravages of consumption, the "white plague" that claims so many victims each year. Foley's Honey and Tar cures coughs and colds perfectly and you are in no danger of consumption. Pay no attention to the ever-present campaign liar on election day.

A German scientist says the time will come when the supply of water will not be sufficient to support life on this earth.

Every time a married man has to pay a dressmaker's or milliner's bill he wonders if Adam knew a good thing when he had it.

Whenever a girl wants to find a real hero she looks for him between the cover pager of a dime novel—that was written by a man.

The people of Porto Rico have found that wearing shoes is a cure for the "lazy bug" disease. That is not always the case in Gainesville.

Schwartz invented gunpowder in 1328. But Roger Bacon, a thirteenth century alchemist, gives a receipt for it in a work of his in 1270.

Money may not bring happiness, but it's good enough to notice when it passes by. It is also worthy of keeping when once you get your hands upon it.

Miss Esther Whitman, the strongest woman in New York, has married Herman Hyams, a Harlem real estate man, whom she rescued from drowning three years ago. She is an expert swimmer and can lift a dead weight of 600 pounds.

Some people say "the world owes me a living." That is a mistake. They owe the world a life. When the youth are constantly taught that they "owe the world a life—a pure, industrious, wholesome life—the claim that 'the world owes me a living,'" will cease to be made.

There is a certain class who usually circulate all manner of false statements concerning candidates for office at the last moment, as it were, when they know that the candidate has no way of answering them. Voters should remember this, and such people should be treated in contempt by all lovers of an honest ballot.

A fly salesman dropped in on one of our young business men the other day, carrying in his hand a finely polished oak cabinet. "I want to sell you a peach of a talking machine," he said. "Got one," replied the young business man. "What kind?" was asked. "The best kind on earth," was the response. "Where did you get it?" was the next question. "Married it," said the y. b. m. and the salesman hiked off to look for a victim elsewhere.

The fellow who gets angry at you is pretty apt to say some unpleasant, cutting things; but if, instead of losing your own temper, you will listen to him calmly, he is almost certain to present among the complaints one or more faults that you had never before thought of, and that your friends hated to tell you about. Sometimes our loudest voiced enemy may prove to be our very best friend—just because he shows us our worst faults in their most unsavory light.

THE RATE BILL.

At last The Senate is to vote upon the railway rate bill, and the many amendments proposed to it. The Senate yesterday took up the consideration of the bill by sections, and will reach a final vote on May 11. That there will be a railway rate bill passed can scarcely be doubted, but wha shape it will take depends upon the final vote.

The debate has been conducted thus far almost entirely on constitutional lines. As Senator La Follete says, "The opponents of the regulation of railway rates and services have skilfully conducted this debate from the beginning upon constitutional grounds This has prevented the Senate from giving consideration to the provisions of the bill and the abuses which call for correction."

By the way, Senator La Follette's long speech on this question was much more able than the rather slighting reports in the newspapers indicated. The belittling of his defence of rate regulation was not confined to the newspaper opponents of regulation, for it appears that many of the conservative Senators would not listen to him. Senator La Follette called attention to this in his speech. "I cannot be wholly indifferent," he said, "to the fact that Senators, by their absence at this time, indicate their want of interest in what I may have to say upon this subject. The public is interested. Unless this important question is rightly settled, seats now temporarily vacant may be permanently vacated by those who have the right to occupy them at this time."

WORTH REMEMBERING.

It has been said, "taking life through and through," the larger part of sorrow and heart-ache it has known has not come through great sorrow, but through little needless hurts and unkindnesses, not so much through the ordering of Providence as through the misorderings of humanity. Oh, the days that are spoiled by smaller hurts! Spoiled because somebody has a foolish spite, a wicked mood, and unreasonable prejudice that must be gratified and have its way no matter whose rights, plans or hearts are hurt by it.

We all realize that this life is full of sorrow. We are here to "heal the wounds and bind the broken heart," and the only way we can do this is by being kind, loving and sympathetic.

Heart-sickness is much harder to help than hunger and poverty. Show interest in others, try to help them, go out of your way to lighten the hundreds of the heavily laden. Don't hesitate to express your kindly thoughts. If you are strong, then be merciful.

The beautiful is needed in our community life. We all have characters to build, strengthen and maintain. We need the beautiful. Dress and live as savages and we would soon become savages in action. The city or village totally void of beauty would be the abode of the sensual, immoral and lawless. A community of taste and beauty must necessarily be composed of refined and cultured people, and true culture leads to higher morality. There are about Gainesville many things that commend it. There are things capable of improvement. Public sentiment will do much toward beautifying our dwellings, our streets and alleys. Neatness, taste and beauty will help us all.

A member of the New York Legislature is trying to have a bill passed to require that all Chinese laundry checks shall be written in English. This reminds us of the fact that no Legislature has recently wrangled over the question of having doctors' prescriptions written in legible United States

Talked of Canal.

Lorrington, Conn., May 4—Secretary of War Taft was a guest Wednesday night at a banquet given by the Lorrington Wheel Club. Previous to the banquet a reception to Mr. Taft was held. Following the banquet Secretary Taft delivered an address on the Panama canal, in which he reviewed the history of the undertaking and said he supported the lock canal. He advocated the placing of the work of construction of the waterway in the hands of a contractor. Secretary Taft left Wednesday night for Washington, D. C.

Oppose Postponement of Races.

Honolulu, May 4.—The Hawaiian Yacht club is opposed to a postponement of the yacht race from San Francisco to Hawaii on the grounds that the yachts Anemone and the Tahotoma have already taken the long trip from Honolulu to San Francisco to prepare for the race. The yacht club has received a cablegram from Mr. Sinclair, owner of the Lurline, indicating a desire to race, and the club believes that most of the yachts that have entered will participate in the contest.

Medical Experts Further Examined.

New York, May 4.—District Attorney Jerome Tuhrsday further examined the medical experts who are appearing for Albert T. In response to a question from the recorder, Mr. Jerome said he hoped to conclude the hearing today.

C., May 4.—On May 5th, at the Hebron cemetery, Mr. Joel Covington will open the tombs prepared for his body and that of his wife—both being now alive—and will unveil the monuments with appropriate ceremonies. The Misses Cameron and Wade, teachers from Virginia, at the Hebron academy, will deliver memorial essays or tributes to the memory of the quite aged couple. J. Preston Gibson, a member of the house of representatives, of Bennettsville, has been invited by Mr. Covington to deliver eulogies upon himself and wife.

Postmaster Robbed.

G. W. Fouts, postmaster at Riverton, Ia., nearly lost his life and was robbed of all comfort, according to his letter, which says: "For 20 years I had chronic liver complaint, which led to such a severe case of jaundice that even my finger nails turned yellow; when my doctor prescribed Electric Bitters, which cured me and have kept me well for eleven years." Sure cure for biliousness, neuralgia, weakness and all stomach, liver, kidney and bladder derangements. A wonderful tonic. At all drug stores. 50 cents.

Boy's Tragic Death.

Columbus, Ga., May 4.—Joel A. Harris, 15 year-old son of J. T. Harris, met a terrible death near Meadows crossing in Lee county, Alabama, while hauling a load of lumber from his father's saw mill. While going down a steep hill the lumber on the wagon slipped, striking the horses. The team ran away, throwing the young boy out, and the wagon wheels passed over his body. When his father reached the scene the boy's first inquiry was as to what his mother said when she heard of the accident. He died in an hour.

Pirating Foley's Honey and Tar.

Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. These worthless imitations have similar sounding names. Beware of them. The genuine Foley's Honey and Tar is in a yellow package. Ask for it and refuse any substitute. It is the best remedy for coughs and colds. J. W. McCollum & Co.

Eight Escape from Prison.

Norton, Va., May 4.—Prisoners escaped from Wise county jail at Wise courthouse, some time during Wednesday night, and are still at large. The eight men were convicted of various crimes at the April terms of the circuit court, and were awaiting to be transferred to Richmond. In the lot were two who had been tried for murder, and sent up for 18 years each. It is said several of the gang were from the mountains of eastern Kentucky, and it is believed they have made their way to that section. If this be true, the officers will have but little chance to recapture them.

Americus to Have Three Hangings.

Americus, Ga., May 4.—Sumter superior court, convened Monday in special session for the trial of several negroes charged with murder, adjourned Monday. There will accordingly be three negroes hanged here shortly, John Graham and George Broughton having been previously convicted and sentenced to death.

Fight Against Dispensary.

These series of temperance addresses have been in progress for some time, but are now more frequent.

CLEANLY WOMAN.

Erroneously Thinks by Scouring Her Scalp That She Cures Dandruff.

Cleanly woman has an erroneous idea that by scouring the scalp with soap she removes the dandruff scales. She is curing the dandruff. She may wash her scalp every day and yet have dandruff her life long, accompanied by falling hair, too. The only way in the world to cure dandruff is to kill the dandruff germ, and there is no hair preparation that will do that but Newbro's Herpicide. Herpicide by killing the dandruff germ leaves the hair free to grow as healthy Nature intended. Destroy the cause and remove the effect. Kill the dandruff germ with Herpicide. Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.

CONGRESSMAN MEEKISON PRAISES PE-RU-NA.

Hon. David Meekison, Napoleon, Ohio, ex member 57th and 58th Congresses, writes:

"I have used several bottles of Peruna and I feel greatly benefited thereby from my catarrh of the head. I feel encouraged to believe that I use it a short time longer I will be fully able to eradicate the disease of thirty years' standing."—David Meekison.

ANOTHER SENSATIONAL CURE: Mr. Jacob L. Davis, Galena, Stone county, Mo., writes: "I have been in bad health for thirty-seven years, and after taking twelve bottles of your Peruna I am cured." Jacob L. Davis.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice, gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.

Revised Formula—"For a number of years requests have come to me from a multitude of grateful friends, urging that Peruna be given a slight laxative quality. I have been experimenting with a laxative addition for quite a length of time, and now feel gratified to announce to the friends of Peruna that I have incorporated such a quality in the medicine which, in my opinion, can only enhance its well-known beneficial character.

The people of Porto Rico have found that wearing shoes is a cure for the "lazy bug" disease. That is not always the case in Gainesville.

Money may not bring happiness, but it's good enough to notice when it passes by. It is also worthy of keeping when once you get your hands upon it.

Miss Esther Whitman, the strongest woman in New York, has married Herman Hyams, a Harlem real estate man, whom she rescued from drowning three years ago. She is an expert swimmer and can lift a dead weight of 600 pounds.

Some people say "the world owes me a living." That is a mistake. They owe the world a life. When the youth are constantly taught that they "owe the world a life—a pure, industrious, wholesome life—the claim that 'the world owes me a living,'" will cease to be made.

There is a certain class who usually circulate all manner of false statements concerning candidates for office at the last moment, as it were, when they know that the candidate has no way of answering them. Voters should remember this, and such people should be treated in contempt by all lovers of an honest ballot.

A fly salesman dropped in on one of our young business men the other day, carrying in his hand a finely polished oak cabinet. "I want to sell you a peach of a talking machine," he said. "Got one," replied the young business man. "What kind?" was asked. "The best kind on earth," was the response. "Where did you get it?" was the next question. "Married it," said the y. b. m. and the salesman hiked off to look for a victim elsewhere.

The fellow who gets angry at you is pretty apt to say some unpleasant, cutting things; but if, instead of losing your own temper, you will listen to him calmly, he is almost certain to present among the complaints one or more faults that you had never before thought of, and that your friends hated to tell you about. Sometimes our loudest voiced enemy may prove to be our very best friend—just because he shows us our worst faults in their most unsavory light.

THE RATE BILL.

At last The Senate is to vote upon the railway rate bill, and the many amendments proposed to it. The Senate yesterday took up the consideration of the bill by sections, and will reach a final vote on May 11. That there will be a railway rate bill passed can scarcely be doubted, but what shape it will take depends upon the final vote.

The debate has been conducted thus far almost entirely on constitutional lines. As Senator La Follete says, "The opponents of the regulation of railway rates and services have skilfully conducted this debate from the beginning upon constitutional grounds This has prevented the Senate from giving consideration to the provisions of the bill and the abuses which call for correction."

By the way, Senator La Follette's long speech on this question was much more able than the rather slighting reports in the newspapers indicated. The belittling of his defence of rate regulation was not confined to the newspaper opponents of regulation, for it appears that many of the conservative Senators would not listen to him. Senator La Follette called attention to this in his speech. "I cannot be wholly indifferent," he said, "to the fact that Senators, by their absence at this time, indicate their want of interest in what I may have to say upon this subject. The public is interested. Unless this important question is rightly settled, seats now temporarily vacant may be permanently vacated by those who have the right to occupy them at this time."

WORTH REMEMBERING.

It has been said, "taking life through and through," the larger part of sorrow and heart-ache it has known has not come through great sorrow, but through little needless hurts and unkindnesses, not so much through the ordering of Providence as through the misorderings of humanity. Oh, the days that are spoiled by smaller hurts! Spoiled because somebody has a foolish spite, a wicked mood, and unreasonable prejudice that must be gratified and have its way no matter whose rights, plans or hearts are hurt by it.

We all realize that this life is full of sorrow. We are here to "heal the wounds and bind the broken heart," and the only way we can do this is by being kind, loving and sympathetic.

Heart-sickness is much harder to help than hunger and poverty. Show interest in others, try to help them, go out of your way to lighten the hundreds of the heavily laden. Don't hesitate to express your kindly thoughts. If you are strong, then be merciful.

The beautiful is needed in our community life. We all have characters to build, strengthen and maintain. We need the beautiful. Dress and live as savages and we would soon become savages in action. The city or village totally void of beauty would be the abode of the sensual, immoral and lawless. A community of taste and beauty must necessarily be composed of refined and cultured people, and true culture leads to higher morality. There are about Gainesville many things that commend it. There are things capable of improvement. Public sentiment will do much toward beautifying our dwellings, our streets and alleys. Neatness, taste and beauty will help us all.

A member of the New York Legislature is trying to have a bill passed to require that all Chinese laundry checks shall be written in English. This reminds us of the fact that no Legislature has recently wrangled over the question of having doctors' prescriptions written in legible United States.

Talked of Canal.

Lorrington, Conn., May 4—Secretary of War Taft was a guest Wednesday night at a banquet given by the Lorrington Wheel Club. Previous to the banquet a reception to Mr. Taft was held. Following the banquet Secretary Taft delivered an address on the Panama canal, in which he reviewed the history of the undertaking and said he supported the lock canal. He advocated the placing of the work of construction of the waterway in the hands of a contractor. Secretary Taft left Wednesday night for Washington, D. C.

Oppose Postponement of Races.

Honolulu, May 4.—The Hawaiian Yacht club is opposed to a postponement of the yacht race from San Francisco to Hawaii on the grounds that the yachts Anemone and the Tahotoma have already taken the long trip from Honolulu to San Francisco to prepare for the race. The yacht club has received a cablegram from Mr. Sinclair, owner of the Lurline, indicating a desire to race, and the club believes that most of the yachts that have entered will participate in the contest.

Medical Experts Further Examined.

New York, May 4.—District Attorney Jerome Tuhrsday further examined the medical experts who are appearing for Albert T. In response to a question from the recorder, Mr. Jerome said he hoped to conclude the hearing today.

Postmaster Robbed.

G. W. Fouts, postmaster at Riverton, Ia., nearly lost his life and was robbed of all comfort, according to his letter, which says: "For 20 years I had chronic liver complaint, which led to such a severe case of jaundice that even my finger nails turned yellow; when my doctor prescribed Electric Bitters, which cured me and have kept me well for eleven years." When his father reached the scene the boy's first inquiry was as to what his mother said when she heard of the accident. He died in an hour.

CLEANLY WOMAN.

Erroneously Thinks by Scouring Her Scalp That She Cures Dandruff.

Cleanly woman has an erroneous idea that by scouring the scalp, which removes the dandruff scales she is curing the dandruff. She may wash her scalp every day, and yet have dandruff her life long, accompanied by falling hair too. The only way in the world to cure dandruff is to kill the dandruff germ, and there is no hair preparation that will do that but Newbro's Herpicide. Herpicide by killing the dandruff germ leaves the hair free to grow as healthy Nature intended. Destroy the cause you remove the effect. Kill the dandruff germ with Herpicide. IN SUPPORT OF ROUX.

West End Voter Has Few Words in Favor of His Candidacy.

Editor Sun: In view of the fact that the people of Alachua county are soon to be called upon to select a tax assessor for another term, I feel it my duty to express a sentiment that is fast growing in the West End of our county in support of L. T. Roux.

He comes to us asking our suffrage as no stranger, having been born and reared in this county. He is a man of the people and one of whom we can boast of always having been loyal and faithful to any measure that would benefit the people as a class. Mr. Roux is a working man and earns his dollar by the sweat of his brow, and he therefore would be in sympathy with the working class and do all in his power that would benefit them.

Our people, realizing these facts to be true, are rallying to his support, and on the 15th of May we are going to show our appreciation of such a man by making an "X" before his name as it appears on the ballot, and ask all who are interested in the welfare and prosperity of our county to do likewise. "VOTER."

To the Democratic Voters of the Eighth Judicial Circuit of the State of Florida:

Having served you in the capacity of State Attorney since July, A. D. 1903, and trusting that you have approved of the manner in which I have represented the State and discharged my duties, I solicit your votes at the coming primary for the position of State Attorney for the Eighth Judicial Circuit.

Very respectfully,

Palatka, Fla. BENJ. P. CALHOUN.

I respectfully announce that I am a candidate for the office of State's Attorney for the Eighth Judicial Circuit of Florida, composed of the counties of Alachua, Baker, Bradford, Levy and Putnam. I conceive the faithful and energetic discharge of the duties of the office to be a sacred obligation to the State, and, if the voters of the circuit favor me with the nomination, I pledge them that the interests of the State and of society shall not suffer through favor or negligence of mine.

THOS. W. FIELDING.

Starke, Florida.

For State Senator.

To the Democratic Voters of Alachua County:

I have, on various occasions, been earnestly requested to enter the race for State Senator from this county, and, until now, have declined to do so, because I had no desire to oppose the Honorable H. H. McCreary, who has rendered such valuable service to our county in the State Senate. But since he has withdrawn from the race I will be a candidate, subject to the Democratic primary.

Having served in both branches of the Legislature in the past, I feel that I am the better qualified to serve the best interests of our county at this important time.

Earnestly soliciting your support at the coming primary, I am your humble servant.

JOHN B. DELL.

In reference to my declination, which appeared in The Daily Sun of Mch. 20th, the same was made in what I conceived the interest of harmony. However, I have reconsidered same and am a candidate for the State Senate.

H. H. McCREARY.

I respectfully announce my candidacy for the Democratic nomination as Senator for Alachua county (32d district), pledging my support of all measures in the interest of the masses as against the classes; and especially do I pledge my support and influence in aid of the common schools and maintenance of the State University upon a liberal basis such as will enable parents to obtain for their children a thorough education in their own State, as well as all measures tending to promote the religious and moral welfare of the entire people. Thanking my friends for their support in the past, and soliciting the vote of all Democrats at the coming primary, I am, very respectfully,

H. H. McCREARY.

For the Legislature.

At the solicitation of many friends I have consented to make the race for the Legislature and hereby announce myself as a candidate, subject to the Democratic primary.

WM. N. SHEATS.

In response to the solicitations of many friends I respectfully announce that I will be a candidate for the Lower House of the Legislature, subject to the Democratic primary. If elected I promise to do all in my power to protect the best interests of our beloved county. Respectfully,

THOMAS A. DOKE.

I announce myself a candidate for the Legislature at the coming primary, subject to the action of the Democratic voters of the county. If elected I will endeavor to make some very radical changes in the present divorce law. I am in favor of keeping the State University at Gainesville forever.

Alachua, Fla. CHAS. HODGE.

At the solicitation of friends I announce myself a candidate for Member of the House of Representatives, subject to the will of the people as expressed at the Democratic primary election.

I shall favor the maintenance of the State University, now established in this county, with liberal appropriations for its development and the advancement of public education throughout the State.

I believe in a Railroad Commission and shall support any legislation enlarging its powers and increasing its usefulness.

All measures tending toward the moral development and growth of our State will receive my hearty support.

ROBT. E. DAVIS.

S. L. Carter will be a candidate at the primary election for Member of the Lower House of the Florida Legislature.

For County Treasurer.

To the Democratic Voters of Alachua County:

If elected, being familiar with the duties of the office which I seek through your suffrage for three terms, I promise you a faithful and efficient service and will make monthly accounting to you by statement at my own expense. Respectfully,

H. B. PEELER.

To the Voters of Alachua County:

Gainesville, April 7. L. T. ROUX.

For Tax Collector.

To the Voters and Tax-Payers of Alachua County:

I take this method to publicly thank you for the very liberal support you have given me in the past, and to announce my candidacy for re-election for ensuing term to the office of Tax Collector of Alachua county. The arduous duties of the office, at this, the closing period of 1905 collection, will entirely prevent my making a canvass of the county and seeing you in person, so I trust my friends throughout the county will remember me on the 15th of May at the various precincts, when casting ballots for the men of their choice to fill the respective offices now elective. Assuring one and all it shall be my constant effort to discharge the duties incumbent on the office with faithful patience and honest fidelity.

Yours very truly,
